

Standard First Aid and CPR C Courses

There are 2 upcoming Standard First Aid courses running in the Guelph area, offered for those involved in scouting. The first (Monday nights) is designed for those who have no prior first aid training. The second (Wednesday nights) is designed for those with some prior first aid training.

Monday June 7th, 14th, 21st and 28th (5:30-10pm each)

Wednesday June 2nd, 16th and 30th (5-10pm each)

These courses are perfect for fulfilling award requirements, including Chief Scout and Queen's Venturer awards. This is also a good learning opportunity for leaders to ensure their first aid is current.

Both courses will be held at Barber Scout Camp, and 100% attendance is required in order to be certified. Minimum participant age is 12 years old.

Cost for the course: \$80.00 per participant

To have any questions answered, or to register, please email: michelleetcoeur@hotmail.com

Private courses can also be set up for larger groups who wish to certify. Please contact me for more information.
